Rowley, MA - January 25, 2021 The Massachusetts Good Neighbor Energy Fund's (GNEF) 2021 "Give the Gift of Warmth" campaign is now underway with the goal of raising \$500,000 to provide energy assistance to more than 1,500 households in need throughout the Commonwealth. The Fund helps families in temporary crisis who do not qualify for federal or state assistance with the payment of their energy expenses.

Rowley Municipal Lighting Plant customers who wish to support the Fund can "Give the Gift of Warmth" by using the green-colored Good Neighbor Energy Fund donation envelope found as an insert in their February electric bill. Customers can also donate online by visiting [www.magoodneighbor.org](http://www.magoodneighbor.org), or by mailing a check payable to "Good Neighbor Energy Fund" to the Good Neighbor Energy Fund, c/o The Salvation Army, 25 Shawmut Road, Canton, Massachusetts 02021-1408.

Those in need of assistance can apply to the Fund by visiting a local Salvation Army Corps Community Center or by calling 800-334-3047. The Salvation Army, which administers the Fund, pays the energy provider directly.

The Massachusetts Good Neighbor Energy Fund is often the last resort for families who do not qualify for federal and state assistance programs. The GNEF has raised more than \$22.5 million and assisted over 91,250 households in need since its inception in 1985.
