

RMLP Deposit Policy & Amounts

Residential

Elderly \$50

All Other Rentals Average of 3 month's use (min. of \$150)

Commercial All Customers Average of 3 month's use (min. of \$150)

The Department may require a cash deposit in advance, equivalent to the Department's estimate of up to three month's bills for service to guarantee it against loss for all new customer accounts as well as existing customer accounts with arrears and desire to move from one location to another within the town of Rowley.

Interest at the rate as approved by the Massachusetts Department of Public Utilities, from time to time, will be paid on those deposits held over six (6) months. Payment of said deposit shall not impair or affect any right of the Department to terminate the service agreement or disconnect the service as herein provided and said deposit shall be deemed only as security for the payment of bills or other claims of the Department upon termination of service.

Deposits and will be refunded upon request at such time as the customer has for 24 successive months paid all bills for service within 30 days of receipt.
