

# Rowley Municipal Lighting Department Appliance Rebate Application

Complete appliance information can always be found on the Energy Guide label (large & yellow) attached to the appliance. If you buy online, this info will almost always be found on the detailed product info. A paper receipt rarely has all three details but is required for proof of purchase.

## Before You Buy:

All appliances must be ENERGY STAR-certified. Logo on right. Non-Energy Star appliances = rebate rejection.

**Additional restrictions on back of form. Please read carefully to ensure your eligibility for a rebate and that you receive it within 6-8 weeks.**

## Appliance Information

*(Do not leave any fields blank. Print Clearly in all caps.)*

## Energy Efficient Appliance Rebate Incentive Program

RMLP is pleased to offer rebates for ENERGY STAR-certified appliances. An ENERGY STAR certification means that the appliance is significantly more energy efficient than comparable models.

### Eligibility Requirement & Restrictions:

*(Applications that do not meet criteria will be rejected or delayed in processing.)*

- Active residential electric account with RMLP for at least **6 months**.
- Zero balance (with no arrears) for at least 6 months.
- Purchase of **ENERGY STAR** appliances, which will have the ENERGY STAR logo (shown here). ENERGY STAR appliances are also listed on <http://www.energystar.gov/products/>.
- Copy of sales receipt(s).
- Appliance must be installed at account location.
- Agree to allow RMLP to inspect the installation on premises.
- Offer is subject to funding availability and can expire at any time.
- Appliance purchase must be within 1/1/2023 – 12/31/2023.
- Applications must be submitted by 1/1/2024.
